School News

The recent Naseby Camp was a great experience for our Senior Room students. We'd like to sincerely thank the parents who attended as Parent Helps - Sonya, Kay, Amber, Ann-Margaret and Jenny. We couldn't have done this without you. We'd also like to thank the PTFA for covering the cost of the food and to Gorette for organising the menu and preparing the food to take with us. During the camp, our students looked at Gold mining in the past (Kawarau Goldmining Centre) and in the present (Macraes Mine). They also visited Poolburn School and made connections with the Senior Room children there. Physical activities included biking the river track from Clyde to Alex, completing some of the mountain bike tracks in the Naseby Forest and Curling. Hayes Engineering was well worth the visit for looking at our Heritage and the Alex museum also had a lot of information about the development of the Central Otago area.

Yesterday, our Year 4 to Year 8 students participated in the St. Joseph's, Kingsview and Glenorchy Schools Athletic Sports Day at Frankton. We are waiting to hear who has made it through to the Wakatipu Zone Sports which are scheduled to be held on Tuesday 19 November.

We are planning to continue both our gardening and knitting sessions on Wednesday afternoons this term. Everyone is most welcome to come in on Wednesday afternoons to help with this.

On Monday 4th November, Wayne Park from the NZ Police is coming to Glenorchy School to take our students through the Safe Walking and Safe Biking Programme. The Senior children will need to have their bikes at school on Monday so that they can participate. As Wayne will be taking them out on the road, he has asked that parents check their children's bikes and sign and return the form we have sent home today. Please ensure that this form is returned to school by Friday 1 November.

Following Wayne's visit we will start up Wheels Wednesday again. The Seniors will set up bike and scooter tracks on the concrete (for scooters and rollerblades) and around the school grounds (for bikes). Wheels Wednesday will run for 3 consecutive Wednesdays beginning on 6 November.

WE NEED MORE CAREGIVERS

Can you provide a stable and loving environment for tamariki until it's safe for them to return home?

All children need a place where they can feel at home with their wider whānau or caregivers. Those who can give them aroha, a place of belonging and connection with family, whakapapa and culture

Caregiving can be hard at times but the rewards can be amazing. Your aroha can make all the difference.

For more information about becoming an Oranga Tamariki caregiver, please get in touch anytime on:
