School News

As the term draws to a close we would like to thank you for all your support this term as we transitioned back to school from lock down. We aimed to re-establish classroom and school routines to try and provide the children with some normality, reassurance and security in these very different times. We will be continuing to put the well-being of our children and school community post Covid-19 Lockdown at the forefront of what we do moving forward.

The third and final ice skating session for the Junior Room is on Friday afternoon. Thank you to the parents who have provided transport for this. We were pleased that the ice rink opened up again in time for this programme to go ahead.

The Tuesday Hot Lunches have been enjoyed by the children and parents alike! Thank you once again to the PTFA and Gorette for making this happen. Due to its popularity, we may look at resuming this later in Term 3. However we will make a decision at a later date.

We have a lot to look forward to in Term 3. Ski Camp preparations for the Senior Room are being finalised and the School Cross Country will be held at Paradise on Wednesday 5 August.

School Reports and Portfolios will be sent home tomorrow afternoon. We will hold another round of Goal Setting Interviews on Thursday 30 July which will give the opportunity to refine and reset learning goals for the second half of the school year.

The refurbishment of the Multi Purpose Room is due to get underway in Term 3. We don't have a firm starting date for this as yet, but we are expecting it to be early on in the term with builders being on-site for approximately five weeks. We are anticipating little disruption to our classroom programmes while they are here, as we are confident we can work around any issues. It has been with this in mind that we have scheduled one of our upcoming Teacher Only Days for Friday 28 August. Please mark it on your calendar.

We hope you all have an enjoyable winter break with your children and we look forward to seeing everyone back at the beginning of Term 3.
