School News

Our students have been involved in quite a few different activities over the last couple of weeks. The Year 4 - Year 8's attended the Science RoadShow in Queenstown, the Year 7's attended the EnviroSchools Hui in Cromwell, and we have had Constable Wayne Park, Matty Graham and their helpers at Glenorchy School to teach safe walking and biking skills. Thank you to the parents who took children into Queenstown for the Science RoadShow and who stayed to supervise them at the event. Your support is greatly appreciated.

Wheels Wednesday is back for the next 3 weeks. The children will be able to ride their bikes and scooters during lunchtime. Our Senior students will organise and set up the courses on the tennis court and the field.

Today we are sending home a request from Dean Fitzpatrick for your child / children to possibly be involved in a short Glenorchy documentary. Please return the form to school by Monday 30 November indicating whether or not you give permission for your child to be involved in this.

Do you recognise this spade?

It was left at the BoardWalk when we planted the trees on the last day of term. We are wondering if whoever owns this spade took the wrong one home as our EnviroSchool helper, Nicky Gray couldn't locate her one when she went to leave. She would like to get hers back if possible, so please contact Gorette if you have the wrong one at your place.

This Sunday is the Village Fair 'Art on the Green'. Both classes are exhibiting art work they have been working on in class and there is also a Glenorchy School stall being run by the PTFA. The PTFA committee has asked that all families provide some baking for the cake stall. Please deliver it to the Village Green on Sunday at 10:00am. The funds raised by the PTFA help support many of our school programmes (such as swimming, ice skating, school lunches, ski camp etc) so it is important that everyone gets behind the fundraising efforts.

On that note, Race Day is the major fundraiser for the PTFA and the organisation for that is underway. This year, Race Day is on January 2nd. There will be a sheet in the school foyer from tomorrow to fill in your preferred times for helping out on the day. Please help our organising committee by filling this in as soon as possible.

The final weeks of this term are likely to go by really quickly as we prepare for the end of year prizegiving on Tuesday 15 December.

This will be held in the Hall and will begin at 5:30pm. Please mark this day and time on your calendars.

Student of the Week

	Junior Room	Senior Room
Week 5	Sienna - For her kind, helping attitude towards the younger children in the class.	Nate - For extending himself and showing creativity in his writing this week.
Week 6	Pippa - She always tries hard in her learning and helps others when needed.	Tom - For his effort in maths this week.

Paula, Nicole, Courtney & Gorette

Mega Mates Social Skills Holiday Programme is back in Queenstown!

We are excited to be running this great programme again - we have had wonderful feedback from the previous Mega Mates! 🎉

This programme is run by 2 Speech Language Therapists working on real social skill development in a small, fun group.

And the good news is, we've reduced the price and there are early bird booking specials 🐦

We are focusing on two age groups;
