**School News**

**We have had a busy couple of weeks with our children participating in a number of programmes and school based projects.**

**Thank you** to Nate, TeAaliyah, Ally and Connie who gave up their lunchtime to plant the tussocks in front of the Tech Room last week. They look fantastic.

**Helen Rule from St. John** was here on Friday 7 May to take **“Make it Safe, May”** which focused on accident prevention. The Seniors also revisited their learning from last year by having another session on CPR.

On Monday 10 May, Rebecca Lund worked with our Senior Room to design creations to be considered for inclusion in the LUMA Light Festival in July. **Congratulations to Dylan G.** whose design was chosen from the Glenorchy School entrants to be included.

**Our school kapa haka programme is getting underway.** Last week I met with Kate McRae from REAP who is overseeing the programme for the Wakatipu Basin schools. Our kapa haka tutor, Atareria Maiava (Ata), came out to school last Thursday to meet staff and students and will now take the programme on Thursday mornings from 10:30am - 11:30am. To accommodate this, playtime will be from 10:15am - 10:30am on Thursdays.

**Today is the beginning of the “Play Music” programme for the Junior Room.** Natasha Wilson will be in the Junior Room with Miss Edlin on Tuesday afternoons for the next six weeks to get this underway.

**Our Year 7 and Year 8 students are looking forward to attending the National Young Leaders Day in Dunedin on May 31st.** The group will leave Glenorchy at 9:00am on Sunday 30 May. Thank you to Amber who is going along as the Parent Help.

**The Ice skating programme for our Junior School begins on Friday 4 June.** This year, we will be leaving school at 11:45 am to make our way down to the ice rink. Transport and permission forms will be sent home later this week.

**Student of the Week**

The Wakatipu Ski Club Annual Snow Gear Sale is set for Sunday 30th May at the Queenstown Events Centre and this year the QLDC along with NZ Police will be running a Winter Driving Expo with a focus on safe driving with interactive displays, competitions and giveaways. Good to Go Road Safety Education is the main provider of Road Safety Education for the QLDC and will be project managing this event.

The Expo will be focused on the message, "Drive to the conditions, not the vehicle", with various groups and businesses taking part offering interactive stalls including, chain fitting, seat belt crash simulator, plus more. To keep people engaged with the Expo we will have a sort of "bingo" card where when someone goes to a stall to learn more about say chain fitting, or have a go on our seat belt simulator, they will receive a stamp on their bingo card.
