Cross Country

23rd August

BOT Meetings

22nd August

19th September

Term 3 Ends

28th September

Welcome back.

A very big welcome to Max who started school on Wednesday last week.

We have had a busy start to Term 3 with the Senior Room Ski Camp already completed. The ski camp was a success as all students improved their skills and gained confidence conducting themselves on the slopes. These three days are a great way for our students to access one of the benefits of living in this special place.

Thanks to the PTFA for raising the money and meeting the cost of the food and to Gorettie for the food preparation and cooking. We also extend a very big thank you to Sonya, Sharee, Nicki and Jenny who helped out and ensured the students had the opportunities to practice their skills on the slopes.

Cross Country The Glenorchy School Cross Country is coming up on Monday 13th August and some students are already training in their own time - good on you guys. We have been doing fitness activities at school to prepare our students for this. Please remember to bring suitable footwear to school for our daily practices.

The Wakatipu Basin Cross Country (for Year 5 to Year 8 students) is being held at Arrowtown later in the same week, so we will be finalising a team to represent us at this event immediately following our school event.

On Friday this week, the Senior Class will be making **school lunches** as a fundraising exercise. Please refer to the Menu on the following page. Orders and money to be at school by 9:00am on Friday Morning.

Congratulations to Harvey for receiving the Sir Peter Blake Trust Young Leadership Award at the end of last term. Westpac present these awards each year to one student at every participating primary school in New Zealand. Harvey was selected for his excellent attitude towards learning and his positive contributions to Glenorchy School.

You may be aware that both the Teachers' and Principals' Collective Agreements are up for renewal and we are currently in negotiations with the Government. At this stage, there has been very little movement towards addressing the crisis in recruiting and retaining teachers and the need for greater support for students with additional learning needs. It is looking likely that New Zealand teachers will take industrial action on Wednesday 15 August if an agreement is not reached before then. At this stage, no final decision has been made, but we will continue to keep you updated as we hear more. If you are interested in knowing more, we are holding a Parent Meeting on Friday 3 August at 3:00pm in the Junior Room to outline the issues.

Paula, Helen, Andre, Jenny & Gorettie

Note from the Board of Trustees re Industrial Action

The Board have been advised that primary school teachers and principals who are union members (all of which ours are) will stop-work for the afternoon of 15 August 2018 between 1:30pm and 4:30pm.

The Union will soon ballot its members as to whether or not the stop-work action should be a full day on 15 August. Formal notification of stop-work action needs to be given 3 days before the proposed action. This means we may not hear until around 11 August. We will make sure you are advised of the decision as soon as possible.

In either case, be it half day or full day action, the School will close. So, please start thinking about your children's care on the 15th August in either scenario. Thank you.

FIONA BROWN
OCCUPATIONAL THERAPIST

SUCCESS BEGINS WITH YOU.

A FREE EDUCATIONAL TOOLBOX

Does your child struggle with learning and you're not sure why? Are you an educator in need of the tools to help a student progress?

This seminar will delve into how we use our brains to learn, how to tell if your child or student is affected by a vision, language or sensory processing disorder - and what you can do about it. You'll also learn how a vision, language or sensory processing disorder is related to learning disabilities, such as dyslexia.

16 & 22ND AUGUST
