19th December

Term 4 Ends

20th December

School News

We had a fun time on our Routeburn camp with the Senior Class last week. Thank you to Will, Geoff and John for being such fabulous parent helpers. Also, a big thank you to Helen for joining us in the evening and bringing the bat detectors in. We would also like to thank Gorette for organising the food, PTFA and Heli Glenorchy/DOC for flying some of our equipment in beforehand.

We have two main events to focus on this week. The first is Athletics Sports which is being held tomorrow at the Events Centre in Queenstown. This is for our Year 4 to Year 8 students. Students who gain placings and qualifying times/distances will compete in the

Wakatipu Zone Athletics on November 6th. It is the first time Glenorchy School has joined with St Joseph's and Kingsview Schools to run an event, this is likely to become a more regular occurrence as we streamline our systems for entry into the Central Otago Sports competitions.

Our other big focus this week is Wearable Arts. The children are in the final stages of completing their creations and organising their music for the show on Saturday night. We would like to thank all the parents who have come into school this term to assist the children.

We have been informed that the Boys and Girls cricket tournament scheduled for this week has been postponed until Term 1 next year. We have also been notified that the Kahurangi Dance Group have had to postpone their show. We are waiting to hear when it has been rescheduled to.

Next week, on Wednesday 7 November, the Year 4 to Year 8 students will be attending the Science Road Show in Queenstown. Please let Andrew or Paula know if you can provide transport and be a parent help on that day.

We have an enthusiastic group of gymnasts at school using the gym equipment at present. They would really appreciate the beam being sanded and varnished so that they don't get splinters in their feet. If you have the skills to sort this out for us, please see Paula.

The end of school year is approaching fast therefore, we would like cups and trophies awarded last year at prize giving to be returned to school a.s.a.p. Thank you.

Paula, Helen, Andrew, Jenny & Gorette

Glenorchy Primary School students, Playgroup children, get your pets in training for Pet Day 2018 to be held the afternoon of Wednesday 14th November, on school grounds.

More details to follow soon!!

On Thursday 1st November from 4:00-6:00pm we will be holding a uniform sale at the Event Centre Cricket Nets for anyone who is interested in purchasing kit.

Uniform includes a QCC playing top and cap.

There will also be white pants for sale for those that require them.

Details of pricing below:
