Welcome to Term 2

It is great to see everyone back at school refreshed after the Autumn break and ready for another busy term.

We welcome Lucas and his family to Glenorchy School. Lucas turned five during the school holidays. He also welcomed little brother, Cooper, into his family so this is a very exciting time for him. Tomorrow, we also welcome Hunter to school, who will join his big sister Sienna in the Junior Room. We begin the term with the school roll at 31.

Junior Room Ice Skating lessons will begin on Friday 1st of June. We are booked in at the rink from 2:00pm to 3:00pm each Friday from then until the end of the term. More information will be sent home regarding travel arrangements closer to the time.

Mr Dave Dubnik also returns to Glenorchy School this term every Friday afternoons to take Technology lessons with our Year 7 and 8 students.

On Wednesday 16th May, Helen, along with three Senior Room students will get the opportunity to attend an Enviro Schools Hui in Queenstown looking at waste management. The students who attend will report back to us on their findings.

Finally, we wish to acknowledge all the wonderful support we have from our parent community who quietly do things around the school. From looking after the chickens over the holidays, gardening, doing odd jobs around the school to helping out in the classrooms. Also a big thank you to Jenny and Rex who continue to improve the state of our school gardens. It is all very much appreciated.
