School News

With the move back into Covid Alert Level 2 for this region, we are emphasising our focus on good hygiene practices and encouraging physical distancing. If you need to come into the school building, please come in the main doors and sign in. If you are collecting your children at 3:00pm, please wait for them at the school gate.

The Glenorchy Cross Country at Paradise was a great success.

We had beautiful weather and everything went to plan on the day. Thank you to the Year 8's for organising the games at the end of the day. Congratulations to the following place getters

	First	Second	Third
Year 1 and Year 2	Hunter	Lucas	Max
Year 3 and Year 4	Sienna	James	Pippa
Year 5 and Year 6	Hazel	Ally	Baxter
Year 7 and Year 8	Toby	Sadie	Jaz

Hazel, Ally, Sadie and Toby will be attending the Wakatipu Zone Cross Country event at Arrowtown when a new date has been finalised. We need to be back at Covid Alert Level 1 before this event can take place.

Yesterday we had Helen Rule from St John come to Glenorchy School to talk to our children about how to respond in an emergency, and to teach some First Aid skills. Knowing some First Aid is an important life skill so we are pleased that our students have had the opportunity to work with Helen.

We have also been fortunate today to have had Sam Dunn from Sweet As Honey come to school to talk to the students about Beekeeping. We welcome the opportunity to have people come into the school to talk to the children about their jobs. Sam has 1kg jars of honey available for sale (\$15). Please let Gorette know if you wish to order some.

On Friday 25 September we will leave school at 11:00am to go and plant trees on the Boardwalk with Dean Fitzpatrick and DOC. There are about 600 trees to plant. This will take about two and a half hours and we would appreciate as much parent support as possible on this day. Gorette will set up the BBQ down there for a sausage sizzle lunch.

This Friday is Teacher Only Day. We hope you enjoy the extra long weekend with your children.
