School News

It was great to see everyone back at school yesterday refreshed from the winter break, excited and ready for learning. The first half of this term is going to go very quickly with a number of events on. There certainly feels to be a very positive, excited vibe around the school at the moment.

We have been advised that we will have builders on-site from Monday 27th July to commence work on the multi-purpose room. Please be aware of the extra hazards around the school at this time.

We intend to hold a Teacher Only Day while the builders are on-site. Please note that the planned Teacher Only Day date has been changed to Friday 21st August due to the confirmation that they will begin on Monday.

Tomorrow morning the Senior Room will depart for the much anticipated annual Ski Camp. Please make sure that you are at school at 6:35am so that we can be away on time. Hopefully the weather will improve so that we can make the most of our time on the mountain. We have asked that the children do bring some inside activities in case we are confined to the lodge.

On Thursday 30th July, we will be holding Goal Setting Interviews. There is a booking sheet in the school foyer to be filled in. Alternatively, email Gorette letting her know when you would like to be slotted in and she will make the booking for you. The time slots begin at 3:15pm and go through to 7:30pm.

The next event on the school calendar is the Glenorchy School Cross Country which we will hold out at Paradise again this year on Wednesday 5th August. Please let Gorette know if you need us to organise transport for your child/children. We will send out more details about this next week, but will be leaving school late morning.

Student of the week.
