Goal Setting Interviews

Thanks for attending the goal setting interviews last night. It was great to meet some of you and hear from teachers talking about the goals students have set for the term.

One of the things which can make a huge difference to children is someone at home asking about how they are working towards achieving their goals and how that is going for them. Perhaps also asking if anything is particularly tricky or challenging for your son/daughter is a way of identifying if there are things you can do at home to help your child achieve their goals.

Senior Ski Camp

How thrilled I was to open my email on Sunday and find this lovely message....

“Kia ora Kelly and Glenorchy School Community

We wanted to write and say how much we enjoyed the company of Glenorchy School in our lodge last week.

Everyone showed supreme CARE within our lodge environment. The tamariki were engaging, polite and respectful. A huge thanks to Kelly for her sound leadership and to Cameron, Theo, Tom and Chris for all they did to contribute to the success of the trip, and for leaving our lodge so beautifully clean.

It's welcoming groups like Glenorchy School that make our job as lodge custodians so satisfying and rewarding.

Ngā mihi nui

Well done everyone! So great to hear that everyone had an awesome time.

Small Schools Swimming

This information was sent directly to families of senior students last Monday. This is just a friendly reminder.

Our small school's swimming competition for years 5-8 students will be taking place on Friday 9 August at the Events Centre in Queenstown.

Please could all students/parents complete the [Google Form](#) to indicate which events they will be competing in? Please could you get this done by the end of Week 2 (2 August). Please ensure that students are capable of completing the events that they have entered.

Each student needs to take part in at least 2 events. There is no maximum number of events. If students choose to take part in the Open Championship then they must complete all the events in the category.

Parent helpers: We will require support to transport students to and from this event. Please can you email Kelly directly kelly@glenorchy.school.nz to let her know if you can help with transport and if you are prepared to help out in running events as a timekeeper or other jobs as required.

Health Consultation

One of the tasks Mrs Miller has asked me to complete this term is the parent consultation around the Health Education programmes at the school.

It is my intention to send a survey home to families next week. A paper copy of this will come home with students in their bags on Monday 5 August. Please could you return these to the box on the table in the foyer once your family has completed it. All surveys will need to be back to school no later than 16 August - thank you.
